

So, you have a Digital Delivery Day cover...

- At the start of the DD Day, please check Compass to see if you have any covers.
- Once the covers have been set up, I will be adding the relevant teachers into the various class Teams that need covering. All new Teams tend to appear at the very bottom of your Teams list. If this has not happened, please send me (Stuart) a chat.
- Your cover information should appear on Compass as normal. You are going to need to conduct a roll and pass on the instructions to the students.
- If you have a Yr 11 or 12 cover, then it will likely be a 'minimal', but please wait for the full ten minutes to allow all students a chance to join the video chat and check in with you.
- If you have a Yr 9 or 10 cover, it may require you to stay online with the students throughout the session or it may not. It will be case by case basis.
- Once you have fully completed the cover, go to the Team Settings and 'Leave the Team'.
