## YEAR NINE

Please note that there are digital products (eCode or cCode) on this Resource List. These products are single user licenses and are only valid for 1 year (unless otherwise stated). Digital resources cannot be returned, refunded or exchanged if you do change your mind, even if you haven't used or activated them. We recommend you please order your items carefully ensuring the correct resources are selected for your child's subjects.

### CORE SUBJECTS

#### ENGLISH

PLEASE SELECT ONE NOVEL ONLY: *Choose One*

- 1 x Frankenstein (Penguin Classics) [Mary Shelley].. \$14.99 1  P00969  
SYNOPSIS: On a bleak November night, the scientist Victor Frankenstein assembles in his laboratory the instruments he needs to animate the lifeless body at his feet. When his experiment works, he unleashes 'the monster' that begins to haunt him. Frankenstein is terrified of his creation and its acts, but 'the monster' may turn out to be more human than its creator. Mary Shelley's Gothic novel explores the contradictions in a flawed humanity and is as startling today as it was upon its publication in 1818.  
- OR -
- 1 x Jane Eyre (With Intro & Notes)(Penguin Classics) \$14.99 2  P01415  
[Bronte (Intro & Notes by Davies)].....  
SYNOPSIS: Brontë's classic novel traces the life of its orphan heroine from her painful and unloved childhood at Gateshead and Lowood School, through early adulthood at Thornfield as governess to Mr Rochester's ward, and with her cousins at Marsh End, to a fulfilling marriage at Ferndean. As each stage and place gives way to the next, Brontë explores a different aspect of what it is to belong, with the novel's early sections a bitter critique of the treatment of children. A strong character possessed of both determination and integrity, Jane eventually finds a place where she is both happy and loved.  
- OR -
- 1 x Treasure Island (Collins Classics) [Stevenson].... \$9.99 3  P16662  
SYNOPSIS: 'Fifteen men on the dead man's chest—Yo-ho-ho, and a bottle of rum!' When young Jim Hawkins finds an old map showing the location of a hoard of buried treasure, he joins the crew of the Hispaniola who set sail to find it. But they soon have a mutiny on their hands, led by the duplicitous pirate Long John Silver. As the quest turns murderous, Jim's bravery is put to the test, and he discovers much about friendship, loyalty and betrayal on this daring voyage. Treasure Island was serialised in the children's magazine Young Folks before being published in 1883. It has come to be regarded as one of the greatest adventure stories ever told.

#### AND ALSO
