Embrace the Challenge

Music and lyrics by Ed Fairlie

When challenges arise
And our pathway is clear,
We gather together
And calmly meet our fear.
With eager minds and hearts
We hear the distant call;
We take a step together,
With pride, as one, stand tall.

Chorus

Embrace the challenge,
be bold, be true.
Embrace the challenge
and see it through.
When we are one,
not one will fall.
Embrace the challenge,
heed Nossal's call.

There's a winding road ahead
and we don't know what's in store,
But we can make a world
Where we help each other soar.
Where if we strive and fail
We go on, courage stirred.
Where every heart is proud,
And every voice is heard.

Chorus
